## Selection of Brighton Pier Rides: Similarity to Oblivia Rides

Safe Trip Home!

No Place Like Home Ride is Booster on Brighton Pier.

The bombs are being shot up the rail and then they turn in the air and descend back down the rails.

Rose skips full of life.

Now we get a good look at the Hamster Wheel.  
Man in Radiation Suit observing.

New person enters the hamster wheel and reviews his challenge where all before him have failed. Note the man has no hat.

TIMELINE JUMP: Above, Rose is getting closer to the Hamster Wheel with blond hair. This appears to be a flash forward moment lasting 2 seconds. The guy in the wheel has a hat so is not the same as the man moments before.

Rose Arrives at The Inferno (Infernal) H2O Station. “Enjoy Fire Water” A Tasty Beverage. Rose is welcomed by US Sailors who suddenly swoop her offer her feet. Rose is not amused.

Rose lands on shore (on the island) and the tasty Inferno H2O is pumped into the beaker by the man in the radiation suit and Rose is happy and singing. That white balloon appears again...

On Brighton Pier there is the Horror Hotel where all manner of madness happens. Like the madness that transpires at the Inferno H2O Station.

Rose sings with her US Navy escort as everyone around her enjoying the Infernal H2O

Radiation Suit man above. Rose Sings while the Inferno H2O burns.

Rose sits on the cobalt blue car driven by man in radiation suit. A Sailor give Rose a beaker of Inferno H2O.

YUM YUM! Mad Man Drinks the Inferno H<sub>2</sub>O, burning him alive.

The Infernal H<sub>2</sub>O is coloured cobalt blue representing Cobalt. Cobalt 59 and Cobalt 60 have military applications involving nuclear power plants and nuclear weapons. This is consistent with the nuclear theme of the video. Cobalt when weaponised and deployed will burn people alive slowly over time. This is represented by this mad man.

Cobalt Blue: Katy Perry - Chained To The Rhythm (Live at the 59th GRAMMY Awards 2017) ft. Skip Marley

Rose (Katy) gestures “Cheers” to everyone and the Mad Man Breaths Fire.

Mad Man (Zombie/Skeleton Man) breaths fire while Rose is thinking about drinking her Infernal H<sub>2</sub>O. The Mans face is clearly burning and his frame is skeletal. Interesting how the rags on the Horror Hotel Skeleton (above) are also blue and that skeleton has been up there in the roof top window of the Horror Hotel for years and years and years...

Now Rose thinks I will not drink this after observing the Mad Man.  
So we now jump to the next phase of the music video.

Cobalt  
#0047AB

The open air theatre fills up and the audience sits on their cobalt blue chairs to watch “A Nuclear Family Show in 3D.” The hamster is running in the hamster wheel. The audience is putting on their 3D glasses... Rose join the others. Notice her hair is now blonde.

Focusing on the TV, The Hamster runs in the Hamster Wheel with the fairground in the background then the image turns upside down. The wheel disappears as does the hamster inside it. The Hamsters in the line are still there. The image then scrolls down and suddenly we have a hamster in the wheel again.

One interpretation is the Hamster failed and the program reset but there is probably more to this micro story...

Rose puts the glasses on. Notice she is wearing a rubber suit which is mostly silver and a clear hood. Now we flash back to the original man who falls as the sun is setting.

Then the woman who started before the man also falls. And back to the nuclear family in the days of the US nuclear testing program. “A nuke a day keeps the doctor away.”  
The Farris wheel in the background provides a link to Brighton. (bottom right photo blurry.)

Father Reading. The little girl drawing has a Lion toy. The Lion is a Big Cat so it can link to the Katy Perry Roar Video which had a Tiger (Big Cat) in it. Katy loves cats. The Girl also links to Katy Perry's Wide Awake Video with the girl and the headband. The TV in the back ground is running the Loading page from the Fallout 4 Video game. (Upper Middle pic). Rose is looking around her being aware not chained to the rhythm.

The hamster is back on TV. The Ferris wheel is in the background with other Brighton rides. Rose is aware and Skip Marley appears.

Skip is singing and he steps out of the black and white TV in colour wearing a white suit and a massive cross necklace.

Skip sings.

Aware listening to Skip. Note Clear Plastic Hood protecting Katy with Cobalt Blue eye shadow.

Katy's stylish anti-radiation suit for protection.

Skip's cross neckless can be seen here.

Katy Listens... With an air of understanding

Katy Perry has heard Skip's preaching message and is reaching out to touch him.

Everyone stands to dance

Now Courtship Dance Starts Like when birds court each other, dancing and strutting their stuff.

Courtship Dance. Seagulls are the primary birdlife in Brighton as it is a seaside town.

Inner Circle clockwise direction.  
Outer Circle anticlockwise direction.  
Torsion fields.

Katy Perry Enters The Hamster Wheel.

Blond Hair. Black, Silver and Gold Outfit. Pink/Rose Eyeshadow makeup.

Challenge Accepted.

The Wheel has a side in sunlight and a side in shadow.

Courtship Dance Continues.

The Asian woman (Yellow & Red Dress) is in the inner circle.

Courtship Dance Continues. The Dancers keep flapping their arm. (Wings)

Rides Link to Brighton Pier. Remember the Turbo Roller Coaster. This Ride has pink lights now.

Courtship Dance Continues. Katy spinning mostly in anti clockwise direction  
“It Goes On and On and On...”

Katy Runs 4 Steps in the Wheel.

1 Bomb being launched in the background. The Bombs Away ride.

Courtship Dance Continues.

The Sun is setting.

Is Time Running Out?

More Bombs (missiles) being launched in the background. Katy is observed by the line of people and 2 men in radiation suits.

Katy Completes 4 Steps. 3 Bombs are shown in different phase. Land, Launch and Launch.

Courtship Continues.

Courtship Continues  
Katy is focused on her challenge. Determined.

Katy Completes 8 Steps. We have seen Katy Perry complete 4 steps, 4 steps, 8 steps.

4 bombs in the background. (1 land and 3 launch)

Katy Perry is still standing. Victorious where all others have failed. The two men in Radiation suits have observed this and the line of people behind her. Now There Is No Wheel For Katy Perry.

The courtship is concluding.

Courtship Ends

Katy Perry is not Chained To The Rhythm.

## Lyrics

Are we crazy?  
Living our lives through a lens  
Trapped in our white-picket fence  
Like ornaments  
So comfortable, we live in a bubble, a bubble  
So comfortable, we cannot see the trouble, the trouble  
Aren't you lonely  
Up there in utopia  
Where nothing will ever be enough?  
Happily numb  
So comfortable, we live in a bubble, a bubble  
So comfortable, we cannot see the trouble, the trouble

# KATY PERRY

CHAINED TO THE RHYTHM

Ah, so good  
Your rose-colored glasses on  
And party on

Turn it up, it's your favorite song  
Dance, dance, dance to the distortion  
Turn it up, keep it on repeat  
Stumbling around like a wasted zombie  
Yeah, we think we're free  
Drink, this one is on me  
We're all chained to the rhythm  
To the rhythm to the rhythm

# KATY PERRY

CHAINED TO THE RHYTHM

Turn it up, it's your favorite song  
Dance, dance, dance to the distortion  
Turn it up, keep it on repeat  
Stumbling around like a wasted zombie  
Yeah, we think we're free  
Drink, this one is on me  
We're all chained to the rhythm  
To the rhythm to the rhythm

Are we tone deaf?  
Keep sweeping it under the mat  
Thought we can do better than that  
I hope we can  
So comfortable, we live in a bubble, a bubble  
So comfortable, we can't see the trouble, the trouble

Aha, so good (so good)  
Your rose-colored glasses on  
And party on

Turn it up, it's your favorite song  
Dance, dance, dance to the distortion  
Turn it up, keep it on repeat  
Stumbling around like a wasted zombie  
Yeah, we think we're free  
Drink, this one is on me

CHAINED TO THE RHYTHM  
FEAT. SKIP MARLEY

Turn it up, it's your favorite song  
Dance, dance, dance to the distortion  
Turn it up, keep it on repeat  
Stumbling around like a wasted zombie  
Yeah, we think we're free  
Drink, this one is on me  
We're all chained to the rhythm  
To the rhythm to the rhythm

It is my desire  
Break down the walls to connect, inspire  
Ay, up in your high place, liars  
Time is ticking for the empire  
The truth they feed is feeble  
As so many times before  
They greed over the people  
They stumbling and fumbling and we're about to riot  
They woke up, they woke up the lions (wool!)

Turn it up, it's your favorite song  
Dance, dance, dance to the distortion  
turn it up, keep it on repeat  
Stumbling around like a wasted zombie  
Yeah, we think we're free  
Drink, this one is on me  
We're all chained to the rhythm  
To the rhythm to the rhythm

It goes on, and on, and on (turn it up )  
It goes on, and on, and on  
It goes on, and on, and on  
(It goes on) 'cause we're all chained to the rhythm

Soon after a very expensive rose diamond is sold.

On 4 April 2017 in Hong Kong, (6 Weeks after Rose starred in the Chained to the Rhythm video) Sotheby's set a new record for any diamond or jewel when the Pink Star, a 59.60-carat oval mixed-cut fancy vivid pink internally flawless diamond, sold for HK\$553 million (US\$71.2 million) to renowned jeweller Chow Tai Fook, who has renamed the stone ' [CTF Pink Star](#)'.
